

EXTERNAL SCHOLARSHIP OPPORTUNITIES

EXTERNAL SCHOLARSHIPS AVAILABLE TO LCC STUDENTS.

AES Engineers Scholarship: **Application deadline is October 6th, 2017.** AES Engineering is pleased to be able to continue offering scholarships to motivated students to help in the furthering of their education. Our belief is that achieving a high grade point average should not be the only criteria for determining who deserves to be helped. For that reason we are offering a scholarship that will be awarded on the basis of character, as determined by an evaluation of the essays that are submitted. Scholarships are intended for our future leaders across a wide spectrum of fields of study.

Award Amount: \$500

Eligibility:

- Students must submit an essay of between 500 and 1000 words
- This award is available to high school seniors and all students attending a post secondary educational facility
- You are not required to be taking Engineering courses to be eligible

More information can be found at: <http://www.aesengineers.com/scholarships.htm>

Courage to Grow Scholarship: **Application deadline varies each semester, check out their website for the exact dates.** The "Courage to Grow Scholarship" was created to help students realize their college dreams. We don't want the college dreams and plans of so many young men and women to get lost in the financial shuffle. It takes a lot of determination and courage to forge ahead when sometimes it would be easier to give up. With the "Courage to Grow Scholarship" we strive to help students achieve their higher education goals. By taking away some of the concerns such as "how will I pay for college", students can concentrate on their education and focus on the task at hand. Today's economy is hard enough on a family, it is our desire to ease some of the financial burden that a college education can put on individuals and

their families. Every month, one student will be awarded for completing a short answer as to why they believe they should be awarded the scholarship.

Award Amount: \$500 monthly

Eligibility:

- You must be a junior or senior in high school or a college student with a minimum GPA of 2.5 or better. U.S. citizens only please.

Dronethusiast \$500 Women in Science UAV Scholarship – 2017: Application deadline is December 1st 2017. As a website that puts a very high level of regard on issues regarding science, we understand better than almost anyone that the younger generations who will soon be entering college are one of the most important resources we have. As college costs have risen by more than 1000% since the 1980's, even the best and brightest in America feel as if they may not have all of the resources necessary to pay for college. Even if some scholarships and financial aid are achieved, there are other impending costs such as books, housing, and supplies that add up so fast it makes new students' heads spin. When a gifted mind is pulled in many directions by the stresses of making ends meet, it is distracted from the learning and productivity it is capable of! That's why we here at Dronethusiast are happy to give back to female students who are choosing to pursue science. (Sorry Guys, you already have a lot of advantages We have already documented just how important drones can be when it comes to operations such as search and rescue, geography and mapping, along with having some good leisure time flying with friends.

Award Amount: \$500

Eligibility:

- Submit an essay of approximately 1 page in either Spanish or English: topic – Demonstrate an idea you have for helping improve the environment, either global or locally using Drone Technology.
- Your name and contact information
- The School you attend and their contact information
- 1 letter of reference written in Spanish or English
- 1 Paragraph demonstrating your need for the scholarship.

Smart Energy Home Scholarship: Application deadline is November 30th 2017. At PowerScout, we're passionate about making it easier for people to use clean energy. With our innovative technology that analyzes power usage more accurately, our team can save homeowners money by switching to solar, and we want to show students that clean energy can save them money, too. For this reason, the company is pleased to offer two (2) students the "PowerScout Smart Energy Home Scholarship Award" of \$1,000 toward the cost of tuition. While energy usage may be the last thing on college students' minds, PowerScout knows that energy usage habits developed during this time period will play a significant role in how students think about energy later in life. If students learn to appreciate the importance of energy decisions today, they will be empowered to make conscious decisions about their energy usage in the future.
